**Item No. 55-3.12 To consider the request of Ms. Ritu Verma (2018UEC1819) Department of Electronics and Communication Engineering for registration in odd semester 2024-25.**

Ms. Ritu Verma admitted in 2018 and was regular in her studies up to six semesters earned 152 credits with CGPA 7.11. In 2021-22 because of depression she could not focus on her studies and failed in all courses except training and seminar in VII semester and took semester withdrawal in VIII semester. In 2022-23 she registered in IX and X semester but failed in all the registered courses. In the Academic Year 2023-24 she was absent from the Institute without registration. Now she has requested to allow her to register in odd semester 2024-25 and permit 02 semester withdrawal for the Academic Year 2023-24.

**As per clause No.11.4 of UG regulations, a student will be permitted for semester withdrawal only twice in the entire duration of his programme.**

As per clause No.13.2 of UG regulations The maximum duration is six years for the degree of B. Tech., from the date of initial registration. The maximum duration of the programmes shall exclude the period of rustication and the period of withdrawal from semester. A student can withdraw for two semesters with or without break in the entire duration of programme. The duration for the UG programmes may be altered in accordance with the decision of the SUGB/ Board.

The above matter was discussed in 43<sup>rd</sup> Academic Affair Committee (AAC) the committee recommended withdrawal of both the semesters of Academic Session 2023-24 where II withdrawal of the odd semester(2023-24) is as per the rule, and III withdrawal of the even semester(2023-24) is an exceptional case. She is required to deposit the Institute fee for both Semesters as per the rules. A late fee of Rs.10,000/- per semester may be waived off as the student belongs to the weaker section of the society. She may be allowed to register in odd semester 2024-25 without

late fee. If above request of the student is considered she will be able to complete the degree with in the stipulated maximum duration of six years from the date of registration (excluding two semester withdrawal permitted as per rules).

The minutes of the 54<sup>th</sup> Senate meeting were circulated to all the members of the Senate on 8<sup>th</sup> May 2024 for perusal and comments. The following Senators have sent comments regarding item no. 54-3.1, 54-3.3, 54-3.6, 54-3.7, 54-3.8, 54-6.1, and 54-6.2. The proposed changes in the draft minutes as per the comments received and recorded statements are as under:

Agenda	Comments	Comments and Proposed change in the minutes
Item No. 54-3.1 Prof. Urmila Brighu	This is not ethical and, in a way, similar to fudging the records. We will have a record of the student registering, appearing in exams, and then having no grades. Since there was no consensus on this matter, this should be brought back to the Senate as an agenda.	Checked with the recording of proceedings. It is correct that there were opinions on both sides, but finally, the decision announced by the Chairman Senate is as written in the minutes. No change is required.
Item No.54-3.3 Prof. Kanupriya Sachdev	Resolution No. Senate-54/2024/03, please check whether the name of the PE offered for PG students is "Electric Vehicle" or "Electric Vehicles".	Checked, and no change is required.
Item No.54-3.6 Dr. Bhagwati	During the senate meeting, it was decided that the M. Tech program in Materials Engineering will be jointly run by the Department of Metallurgical and Materials Engineering and Materials Research Centre, with the MME department being the lead department. However, the Senate minutes circulated do not at all talk about the role of MRC. It is requested to kindly modify the minutes as per the discussion in the Senate meeting.	Checked with the recording of proceedings and found that Senate has not decided as per the comment.  Minor modifications have been made in the minutes as under:  "Resolution No. Senate-54/2024/06: Senate approved the new PG program on M.Tech. (Materials Engineering), submitted by the Department of Metallurgical and Materials Engineering. The Senate suggested the department of Metallurgical and Materials Engineering should utilize the expertise of faculty and lab available at MRC for teaching and dissertation supervision. It was also decided that as per the policy adopted by the Senate

Prof. Kanupriya Sachdev	Regarding Resolution No. Senate-54/2024/06, it was decided that the program will be jointly delivered by the faculty of Deptt. of Met. & Meta. Engg. and MRC. Kindly have the necessary rectification in the minutes.	earlier, the program may be offered from the Academic Session 2025-26 onwards."  Same as above
Prof. Ragini Gupta	Also endorse the point raised by HOD, MRC and agree with his observation.	Same as above
Item No.54-3.7 Prof.S.D. Bharti	Senate approved the Scheme and Syllabi of M. Tech. (Earthquake Engineering). It was also decided that as per the policy adopted by the Senate earlier, the program may be offered for centralised admission through CCMT from the Academic Session 2025-26 onwards. Senate approved that the admission to candidates supported by Ministry of Jal Shakti, and sponsored by Dam Owners may be initiated immediately and hence accordingly the program shall start for such candidates from the Academic Year 2024-25.	As per the comment, minor modifications have been made in the resolution to read:  "Resolution No. Senate-54/2024/07: Senate approved the scheme and syllabi of M. Tech. (Earthquake Engineering) Full time. It was also decided that as per the policy adopted by the Senate earlier, the program may be offered from the Academic Session 2025-26 onwards. However, the program may be offered from the Academic Year 2024-25 for the students full time sponsored by the Ministry of Jal Shakti and by Dam Owners."
Item No.54-3.8 Prof.S.D. Bharti	It was decided to constitute a Committee of Internal Members of the Senate to check that (a) The Guidelines so framed are in consonance with the First Statutes of the NITs in Letter and Spirit and (b) Also make sure that specifics of the guidelines are contextually relevant to the Institute and at the same time serves the broader	Checked with the recording of proceedings, and no change is required.

	The Senate also requested a compilation of information regarding the placement scenario from the other CFTIs where this UG programme has been running for a few years.	Checked with the recording of proceedings, and no change is required.
Item No.54-6.2 Prof. Urmila Brighu	The practice of the Senate meetings has always been to discuss the agenda as listed. This agenda was only for the NCDM. The NCDM HoD presented a justification for the case. However, the previous Senate meeting agenda regarding CEE (Senate no. should have been mentioned; why was it not approved earlier? What has changed now?); is being approved now without any presentation/justification by the HoD? As mentioned in the resolution, a one-page write-up with justification for information to the Senators is merely a formality. Bypassing proper review can lead to unforeseen consequences. Rushing through proposals without due diligence could result in flawed policies with negative impacts. If one department is perceived to be treated partially, it erodes trust in the entire Senate. The swiftness with which the resolution for CEE was made starkly contrasts the usual level of scrutiny applied to similar proposals. This suggests a potential bypassing of established protocols and raises questions about the Senate being a fair and objective body.	As suggested the Senate number has been added in the minutes.  The comment is not related to the correctness of the recorded Senate minutes.  Further, no Senator, during the discussion on this agenda or even afterwards till the end of senate meeting, pointed out lack of discussion or requirement of more discussion on this point. Rather, honourable Senate member herself took part in the discussions and on her suggestion only the word 'environment' was been removed from the name of department to be created.

## Malviya National Institute of Technology

Department	Management Studies
Course title	Managing Supply Chain for Business
Course code	
Program	MBA (Program Elective)
Credits	3.0 (L=3, T=0, P=0)
Semester	Odd
Prerequisites	None

### Course introduction:

Managing Supply Chain for business is about the management of material, fund and information flows in multi-stage procurement, production and distribution networks. Driven by fierce global competition and enabled by advanced process and information technology, many companies have taken initiatives to reduce costs and at the same time increase responsiveness to stay ahead of the competition in the marketplace. This course intends to provide students with the knowledge and the tools necessary to develop, implement and sustain strategies for supply chain business models.

### Course Description:

This course provides a comprehensive examination of the principles, strategies, and practices involved in managing supply chains and logistics for business success. Students will learn how to analyse, and design supply chain business models to enhance operational efficiency and competitiveness of industry. Key topics include supply chain integration, supplier management, supply chain business models, sustainability in supply chain, warehousing, distribution and performance measurement.

### Course Objectives:

- Understand the role of logistics and supply chain in organization's competitiveness and the key phases in the supply chain.
- Identify the major drivers of business supply chain performance.
- Develop strategies for supply chain integration and collaboration.
- Understand, formulate, analyze and solve real world supply chain business problem
- Implement effective supplier management practices.
- Recognize the risk in managing the supply chain and also appreciate the importance of sustainability while designing supply chains

### Course content:

Understanding the importance of supply chain, Achieving strategic fit in a supply chain, Supply chain drivers and metrics, Supply chain design, Supply chain coordination, Transportation in a supply chain, Managing economies of scale in a supply chain, Sourcing and distribution strategies in supply chain, Pricing and revenue management in supply chain, Information technology in supply chain, Managing uncertainty in a supply chain,

Sustainability and circularity in the supply chain, Game theory, goal programming and decision tree for supply chain.

**Course learning outcomes (CLO):**

- a) **CLO1:** Be able to understand the fundamental concepts of supply chain.
- b) **CLO 2:** Be able to understand and analyze supply chain problems.
- c) **CLO3:** Be able to exhibit voluntary cooperation and teamworking attributes in a group setting to solve supply chain problems jointly and present the findings in the class and submit a soft copy of the report.

**Reading and references:**

- a) Textbook: Chopra Sunil, Meindl Peter, and Kalra, D, "Supply Chain Management, Strategy, Planning & Operation", Pearson, 7th Edition.
- b) Reference Books:
  - i) Simchi-Levi David, Kaminsky Philip, Simchi-Levi Edith and Shankar, Ravi, "Designing & Managing the Supply Chain, Concepts, Strategies & case studies", Tata McGraw Hill, 3rd Edition.

  - iii) Handfield, Robert and Bozarth, Cecil, Shah Janat., "Introduction to Operations and Supply Chain Management, Pearson, Text and Cases, Pearson, 3<sup>rd</sup> Edition.

**Pedagogy and student's workload:**

The pedagogy will include delivery methods like; lecture, case study, journal articles, quantitative problems and projects. Students are expected to read the given class materials, solve assignments and solve problems on their own.

**Assessment scheme:**

Component	Weightage (%)	Assessment of course learning outcome(s) (CLO)
Quizzes / Assignment	5%	CLO1
Mid-Term	30%	CLO2
End-Term	50%	CLO2
Group project presentation	10%	CLO3
Class attendance and participation	5%	CLO1

## Revised Course Outline for the 3-credit course

Course Code : 21BMTxxx  
 Course Name : Survey Research Methods  
 Credits (L-T-P) : 3 (3-0-0)

### Learning Outcomes

By the end of the course, students will:

1. gain the skills to formulate research questions, design questionnaires with clear and unbiased questions, and pilot test their instruments
2. learn to assess the strengths and weaknesses of existing survey research, including ethical considerations, validity, and reliability of survey instruments
3. design study-appropriate sampling methods, sample size, and minimize sampling bias
4. understand ethical data collection practices and choose the right survey administration method
5. conduct, interpret and report basic and advanced statistical analyses of survey data

## Decision Analytics (with Python)

Credits	3 – 0 – 0
Program	Open Elective
Academic Year and Term	2024, Odd Semester
Course Instructor(s)	Prof. Sandipan Karmakar <i>E-mail: sandipan.dms@mnit.ac.in</i> Office: DMS, MNIT

### 1. Course Description

Decision making poses to be one of the foundational pillars of Engineering and Management Science in understanding the business processes and finding the ways of betterment of current business processes. Two possible paths are identified to expose students into Decision Analytics in academia viz. either by taking help of a successful implementation of the same in a business problem explaining the nuances or explain the details of generic Decision modeling and solving and taking up successful business cases to testify the understanding. This course is intended to fill the gap between these two extremes by first discussing the general principles of model building using mathematical programming to establish the fact that "problem formulation is an art rather than science". This is followed by discussion of application of these mathematical models in real application scenarios like in Airlines, Petroleum, Chemical, Manufacturing, Transport & Distribution, Finance, Healthcare, Manpower Planning and Agriculture, Retailing and Logistics Planning, Car Rental to name a few. Along with this, the attendees will be exposed to implementing the mathematical/analytical models in the application areas using Python which is one of the most common open-source programming languages for decision modeling and optimization of Business Problems. Approach that will be followed is "How do they do it in real?". Moderate to highly complex business problems will be selected to be modeled mathematically first, then solving them using Python. Focus is here more on modeling and interpretation of the real business problems rather than the algorithms to solve those. This course will be best for prospective Data Scientists, Data Analyst and Strategic Planners.

### 2. Student Learning Outcomes

- a. Be able to mathematically model and interpret contemporary business problems
- b. Be able to propose new ways of doing the existing process based on proposed mathematical model
- c. Be able to provide business managers a fairly nontechnical interpretation and readily implementable solution of the real business problems

### 3. Reading & References

- a. Textbook:  
Hamdy A Taha (2019), Operations Research, An Introduction, Pearson Education
- b. Additional Resources  
Readings/practice exercises/ case studies will be shared during the course as per the course learning outcomes.

### 4. Prerequisites

- a. A basic understanding of objective function and constraints
- b. Foundational knowledge of Operations Research, Linear Programming, Simplex
- c. Writing and understanding of basic codes of Python (Not compulsory)

## 5. Tentative Session Plan

Session #	Topics	Text
1	Introduction: 1. What is Decision Analytics, Some examples 2. Example of Classical Linear Programming problem – Product Mix Problem, Refinery Optimization for Petroleum Product Blending, Economic Planning 3. Introduction to Python packages for Optimization	Slides, Notes and Codes
2-3	Brief Overview of Simplex & Special Cases, Duality & Sensitivity, Complementary Slackness Theorem, Concept of Bounds	Slides and Notes
4-5	Solving some LPPs using Excel-Solver and Python packages	Hands on Codes
6-7	1. Building Simple Linear Programming Models a. Defining Objectives – Single, Multi & (Non)Conflicting, Minimax, Ratio, Non-existent & Non-Optimizable b. Defining Constraints – Capacity, Availability, Demand, Balance, Quality, Hard v/s Soft, Chance, Conflicting, Redundant, Bounds and Unusual 2. How to build a good model? Some examples	
8-9	Structured Linear Programming Models: 1. Structuring large LPPs from submodels: Example of Multiplant, Multiproduct, Multiperiod Models 2. Decomposing a large model into submodels and Restricted Master Models	Slides and Notes
10	Interpreting & Using a Linear Programming Model 1. Validating a model – Infeasible, Unbounded and Solvable model 2. Economic Interpretations 3. Sensitivity Analysis	Slides and Notes
11-12	Non-linear models – applications, local/global optima, separable programming, converting non-separable to separable model	Slides and Notes
13-15	Introduction to Integer Programming 1. Applicability of Integer Programming – Examples 2. Solving Integer Programming Models – Cutting Plane, Enumerative, Pseudo Boolean, Branch & Bound, Column Generation	Slides and Notes
16-17	Building Integer Programming Models 1. Uses of Discrete variables, Indicator variables, Logical Conditions (Few among many, If-then, Parallel path etc) 2. Nonlinear Functions like piecewise linear 3. Extra conditions like Disjunctive constraints, Non-convex regions, Limiting the number of variables, Sequentially dependent decisions, Economies of scale etc	
18-19	Fine-tuning the Integer Programming model 1. Good v/s Bad formulations a. Number of variables in model b. Number of constraints in model 2. Simplifying an Integer Programming model a. Tightening Bounds b. Simplifying Constraints c. Discontinuous variables d. Disjunctive Constraints revisited 3. Economic Information from Integer Programming models	Slides and Notes
20-21	Kinds of Integer Programming 1. Set Covering, Set Partitioning and Set Packing problems 2. Knapsack problems	Slides and Notes and Codes

3. Traveling Salesman & Vehicle Routing problems
4. Quadratic Assignment problems
5. Sequencing & Scheduling problems

22-25	Example of Set Covering problem & variants <ol style="list-style-type: none"> <li>1. Airline Crew Pairing problem</li> <li>2. Neighborhood Project Selection problem</li> </ol>	Slides and Notes and Codes
26-29	Examples of Knapsack problem & variants <ol style="list-style-type: none"> <li>1. Capital Budgeting</li> <li>2. Project Selection</li> <li>3. Air Cargo Optimization</li> </ol>	Slides and Notes and Codes
30-33	Examples of Traveling Salesman problem & variants <ol style="list-style-type: none"> <li>1. Vehicle Routing problem &amp; variants</li> <li>2. Airline Crew Pairing revisited</li> </ol>	Slides and Notes and Codes
34-36	Examples of Scheduling problems & variants <ol style="list-style-type: none"> <li>1. Manpower Scheduling</li> <li>2. Sports Scheduling</li> <li>3. Operating Room Scheduling</li> <li>4. Airport Runway Scheduling</li> </ol>	Slides and Notes and Codes
37-40	Examples of Mixed problems <ol style="list-style-type: none"> <li>1. Yield Management</li> <li>2. Car rental</li> <li>3. Portfolio Optimization</li> </ol>	Slides and Notes and Codes
41-42	Project Presentation

In the 62<sup>nd</sup> SPGB meetings held on 01<sup>st</sup> July, 2024 and 04.07.2024 following agenda items no. 62-3.4 and 62-5.1 were discussed and recommended to the Senate.

Item No. 62-3.4	To consider the mercy requests submitted by the students.			
	S. No.	Name & ID	Mercy request	SPGB Recommendation
1.	Sameer (2020PCT5276) CGPA – 5.83	Sameer requested to allow him to complete his degree.	Recommended	The situation arised due to delay in obtaining NOC from the employer, BRO, which is a Government Organisation. Senate in its 52 <sup>nd</sup> meeting has granted mercy for a similar case due to family circumstances. Therefore, SPGB recommended the case.
2.	Rahul Kumar (2023PMA5197) CGPA – 4.48	Rahul Kumar requested to enroll in the 2 <sup>nd</sup> semester.	Recommended	SPGB recommended that Rahul Kumar (2023PMA5197) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses. His eligibility for promotion to next semester will be evaluated on the basis of his performance after re-registration.
3.	Suman Singh (2023PMA5200) CGPA – 4.48	Suman Singh requested to enroll in the 2 <sup>nd</sup> semester.	Recommended	SPGB recommended that Suman Singh (2023PMA5200) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses. His eligibility for promotion to next semester will be evaluated on the basis of his performance after re-registration.
4.	Aman Sharma (2023PCS5071) CGPA - 5.36	Aman Sharma requested to give him last Mercy Chance to register in M.Tech. [structure engineering] in session 2024-25.	Recommended	SPGB recommended that Aman Sharma (2023PCS5071) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses. His eligibility for promotion to the next semester will be evaluated on the basis of his performance after re-registration.
5.	Dipu Kishan (2023PES5443) CGPA – 4.67	Dipu Kishan requested to kindly allow him and grant permission to persue studies in MNIT	Recommended	SPGB recommended that Dipu Kishan (2023PES5443) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses. His eligibility for promotion to next semester will be evaluated on the basis of his performance after re-registration.

## MALAVIYA NATIONAL INSTITUTE OF TECHNOLOGY JAIPUR

MINUTES OF THE 62<sup>nd</sup> MEETING OF THE SPGB HELD ON 01<sup>st</sup> JULY, 2024 AT 4:00 PM AND 04.07.2024 AT 3:00 PM IN THE GD ROOM, PLACEMENT CELL, PRABHA BHAWAN, MNIT JAIPUR

The 62<sup>nd</sup> meeting of the SPGB was held on 01<sup>st</sup> July, 2024 at 4:00 PM and 04.07.2024 at 3:00 PM in the GD Room, Placement Cell, Prabha Bhawan, MNIT Jaipur.

The following agenda items were discussed, and the recommendations are as follows:

Item No. 62-1.0	To confirm the minutes of the 61 <sup>st</sup> meeting of the SPGB held on March 22 <sup>nd</sup> , 2023. The minutes of the 61 <sup>st</sup> meeting of the SPGB were confirmed.
Item No. 62-1.1	To note the "Action Taken" on the decisions taken in the 61 <sup>st</sup> meeting of the SPGB The SPGB noted the action taken on the decisions taken in the 61 <sup>st</sup> meeting of SPGB. Regarding 61-6.1 the SPGB approved the new programme elective on "Optimization Techniques" proposed by the Department of Mathematics.
Item No. 62-2.0	Items for Consideration.
Item No. 62-3.1	To consider the request of Punit Kumar Yadav (2019RMA9038) for submission of Ph.D. thesis within one year after date of change of supervisor. SPGB deliberated on the matter and noted that the change of supervisor was not done on the request of the candidate and it was done due to the fact that the earlier supervisor Dr. K. Palpandi resigned from the Institute. The SPGB observed that the existing provision considers the change of supervisor when it has been done on the request of the candidate/supervisor. The SPGB decided that the candidate may be permitted to submit his Ph.D. thesis. SPGB also recommends that similar provision may be adopted for all such cases in the future too.
Item No. 62-3.2	To Consider the proposal of the Department of Management Studies to offer a new Open elective titled 'Survey research methods' for PG students. SPGB recommended the proposal of the Department of Management Studies to offer a new Open elective titled 'Survey research methods' for PG students for the consideration of the Senate.

Item No. 62-3.3	<p>To Consider the proposal of the Department of Management Studies to offer a new program elective titled 'Managing supply chain for business' for MBA students.</p> <p>SPGB suggested that the L-T-P structure of 2-1-0 of the proposed course may be modified to 3-0-0 and accordingly the syllabus shall be revised and shall be put up before SPGB later.</p>					
Item No. 62-3.4	<p>To consider the mercy requests submitted by the students.</p>					
S. No.	Name & ID	Mercy request	DPGC recommendation	Justification of DPGC, if any	SPGB Recommendation	Justification of SPGB
1.	Sameer (2020PCT5276)	Sameer requested to allow him to complete his degree.	Recommended	DPGC acknowledged Mr. Sameer's circumstances, which revealed that his absence from the exams was due to legitimate reasons. He had secured employment with the Border Roads Organisation, communicated with relevant authorities, and paid fees for four semesters. Based on the presented circumstances and his willingness to continue, the DPGC approves and recommends his mercy application to resume his M.Tech. program in part-time mode on the recommendation of his supervisor (Dr. Neha Shrivastava)	Recommended	The situation arised due to delay in obtaining NOC from the employer, BRO, which is a Government Organisation. Senate in its 52 <sup>nd</sup> meeting has granted mercy for a similar case due to family circumstances. Therefore, SPGB recommended the case.
2.	Rahul Kumar (2023PMA5197)	Rahul Kumar requested to enroll in the 2 <sup>nd</sup> semester.	Recommended	The student was regular in the classes. As mentioned in his application, he could not perform because of the new environment and family circumstances. Considering his past academic record, he may be allowed for re-registration in the next year.	Recommended	SPGB recommended that Rahul Kumar (2023PMA5197) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses. His eligibility for promotion to next semester will be evaluated on the basis of his performance after re-registration.

3.	Suman Singh (2023PMA5200)	Suman Singh requested to enroll in the 2 <sup>nd</sup> semester.	Recommended	The student was regular in the classes, due to her family issues, she could not perform well but she has ensured that she will perform better if given a chance. She may be allowed for re-registration in the next year.	Recommended	SPGB recommended that Suman Singh (2023PMA5200) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses. His eligibility for promotion to next semester will be evaluated on the basis of his performance after re-registration.
4.	Aman Sharma (2023PCSS071)	Aman Sharma requested to give him last Mercy Chance to register in M.Tech. [structure engineering] in session 2024-25.	Recommended	Due to unforeseen family circumstances as his mother and father both were critically ill. DPGC accepts his mercy application based on his supervisors (Dr. Sanyam Dangayach) recommendation.	Recommended	SPGB recommended that Aman Sharma (2023PCSS071) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses. His eligibility for promotion to the next semester will be evaluated on the basis of his performance after re-registration.
5.	Dipu Kishan (2023PES5443)	Dipu Kishan requested to kindly allow him and grant permission to pursue studies in MNIT	Recommended	The student submitted an application that he had undergone unforeseen circumstances and health conditions.	Recommended	SPGB recommended that Dipu Kishan (2023PES5443) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses. His eligibility for promotion to next semester will be evaluated on the basis of his performance after re-registration.
6.	Jayesh Singh Sagar (2023PES5426)	Jayesh Singh Sagar requested to kindly allow him and grant permission to pursue studies in MNIT	Not Recommended	The student submitted an application that he had undergone unforeseen circumstances and health conditions.	Recommended	SPGB recommended that Jayesh Singh Sagar (2023PES5426) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses for keeping parity in

							relief been recommended to other case of similar performance. His eligibility for promotion to next semester will be evaluated on the basis of his performance after re-registration.
7.	Rajesh Saini (2023PES5086)	Rajesh Saini requested to grant him a mercy chance for registration in M.Tech. (Part Time).	Recommended	The student claimed that due to family issues (children infected with dengue) and his medical conditions. A medical prescription and certificate were submitted.	Recommended		SPGB recommended that Rajesh Saini (2023PES5086) may be given an opportunity to re-register in 1 <sup>st</sup> Semester and repeat all the courses. His eligibility for promotion to next semester will be evaluated on the basis of his performance after re-registration.
8.	Vinay Sunda (2022PES5263)	Vinay Sunda requested that he has now joined the station at Madurai and assure that he will furnish a No Objection Certificate (NOC) by the end of June 2024.	Recommended	The student has assured to submit the 'No Objection Certificate' by the end of June 2024.	Not recommended		SPGB did not recommend the case as the time period committed by the student has already passed and still the NOC has not been submitted by him.
Item No. 62-3.5	<p><b>To consider the status of supervisor and co-supervisor of the Ph.D. students registered under the supervision of Dr. Geetanjali Chattopadhyay, Assistant Professor, Dept. of Mathematics, MNIT Jaipur.</b></p> <p>SPGB, after detailed deliberation decided that there shall be no changes in the status of Supervisor and Co-Supervisor for the following students:</p> <ol style="list-style-type: none"> <li>Sania Yadav (2021RMA9568)</li> <li>Rishikesh Nirmal (2022RMA9064)</li> </ol>						

	<p>3. Sheetal (2022RMA9501)</p> <p>The SPGB observed that there are currently three supervisors from MNIT Jaipur for Naresh (2022RMA9504), which is in violation of the PG regulations.</p> <p>SPGB also noted that Dr. Anubha Jindal, who was assigned the role of Supervisor due to the long leave of Dr. Geetanjali Chattopadhyay, Assistant Professor, Department of Mathematics, has expressed her request to be excused from the role of supervisor for Naresh.</p> <p>SPGB recommended that there should be only two supervisors from MNIT Jaipur and hence Dr. Geetanjali Chattopadhyay shall be the Main supervisor and Dr. Manish Kumar shall be the co-supervisor.</p>
<p>Item No 62-3.6</p>	<p><b>To consider the format of the Migration Certificate issued by the Institute to the students complete the degree or leave the program in mid-way.</b></p> <p>The Proposed format of the Migration Certificate was discussed in the SPGB meeting. SPGB approved &amp; recommended the format to the Senate after making some minor suggestions.</p>
<p>Item No 62-4.0</p>	<p><b>Reporting Items.</b></p>
<p>Item No 62-4.1</p>	<p><b>To report the list of Ph.D. students whose supervisors (Internal/External) are added.</b></p> <p>Noted.</p>
<p>Item No 62-4.2</p>	<p><b>To report the list of the Faculty permitted to supervise Ph.D. students of other institutes.</b></p> <p>Noted.</p>
<p>Item No 62-4.3</p>	<p><b>To report the list of Ph.D. students converted from Full-time to Part-time.</b></p> <p>Noted.</p>
<p>Item No 62-4.4</p>	<p><b>To report the list of the Ph.D. students permitted for Semester Withdrawal.</b></p> <p>Noted.</p>
<p>Item No 62-4.5</p>	<p><b>To report the list of the Ph.D. students of change of supervisor.</b></p> <p>Noted.</p>
<p>Item No 62-4.6</p>	<p><b>To report the list of the PG students permitted for internship work in the other Institutes.</b></p> <p>Noted.</p>

## Minutes of the 43<sup>rd</sup> Meeting of the Academic Affairs Committee (AAC)

The 43<sup>rd</sup> Academic Affairs Committee (AAC) meeting was held on 02<sup>nd</sup> August 2024 at 2:30 PM in Meeting NKN-1, First Floor, Prabha Bhawan. The following members attended the meeting:

1. Prof. D. Boolchandani (Dean, Academics)
2. Prof. Lava Bhargava (Chairman, SUGB)
3. Prof. Suja George (Chairman, SPGB)
4. Dr. Yogesh Kumar Meena (Associate Dean-PG)
5. Dr. Ram Dayal (Associate Dean UG)

Item No.	Particular
43-1.0	<b>To confirm the minutes of the 42<sup>nd</sup> meeting of the AAC held on 02<sup>nd</sup> August 2024.</b> The AAC confirmed the minutes of the 42 <sup>nd</sup> meeting of the AAC held on 02 <sup>nd</sup> August 2024.
43-2.0	<b>To note the "Action Taken" on the decisions taken in the 42<sup>nd</sup> meeting of the AAC.</b> The AAC noted the action taken report on the decision taken in its 42 <sup>nd</sup> meeting.
43-3.0	<b>Items for Consideration.</b>
43-3.1	<b>To consider the request of Ms. Ritu Verma (2018UEC1819) for re-admission and exemption of fees for the semesters withdrawn, forwarded by the Department of Electronics and Communication Engineering.</b>  AAC, after detailed deliberation, recommended the Semester withdrawal for Academic Session 2023-24. 01 Semester withdrawal is as per the rule, and 01-semester withdrawal is an exceptional case. She has to deposit the Institute fee for both Semesters as per the rules. A late fee of Rs.10,000/- per semester may be waived off as the student belongs to the weaker section of society.  If permitted in the current semester, the late fee for the current semester may also be waived and she may allowed to register in semester XIII.
43-3.2	<b>To consider the request of Ms. Tamanna Jain (2021REC9055) regarding the refund of the scholarship amount deducted due to not fulfilling the examination duty in the month of Feb-March (26 Feb 2024 to 01 March 2024).</b>  AAC discussed and approved the request of Ms. Tamanna Jain (2021REC9055) regarding the refund of the scholarship amount deducted due to not fulfilling the examination duty in the month of Feb-March (26 Feb 2024 to 01 March 2024), as she was granted Maternity leave from 11 <sup>th</sup> September 2023 to 9 <sup>th</sup> March 2024 in DPGC meeting dated 04 <sup>th</sup> September 2023. As per the approval granted by the Competent Authority vide office order no.3205 dated 17.11.2023, permission was given for semester withdrawal on maternity grounds for the odd semester 2023-24.
43-3.3	<b>To consider the proposal to issue a one-page transcript to all the MNIT students at the time of Convocation along with the Degree Certificate.</b>  AAC discussed and recommended the proposal to the Senate to issue a one-page transcript to all the MNIT students at the time of Convocation along with the Degree Certificate.

43-3.4	<b>To consider the late physical reporting of newly admitted Ph.D. student Ms. Abira Mukherjee (ID: 2024RME9106) in the Department of Mechanical Engineering (Odd Semester 2024-25).</b>
	AAC, after deliberation, considered the request of Ms. Abira Mukherjee (ID: 2024RME9106) and allowed her (due to her medical issues), as a special case, to report one week late to the Department and Academic Section without any late fees.
43-3.5	<b>To consider the request of Mr. Prakash Somani (2019RCE9128) research scholar to waive off late fees for registration.</b>
	AAC discussed and approved the request of Mr. Prakash Somani (2019RCE9128), a research scholar, to waive late fees for registration as a special case due to a mishap in his immediate family.
43-3.6	<b>To Consider the application of Swati Sharma (Ph.D. Candidate) for a refund of the full fee deposited by her.</b>
	AAC discussed and decided that according to the Institute Fee Refund Policy guidelines, Caution Money can only be refunded to the candidate.
43-3.7	<b>To consider the request of Badavat Mahesh (2012UMT1774) for relaxation in late fee penalty during registration of semester withdrawal (X Semester 2016-17).</b>
	AAC discussed and decided to not consider the request of Badavat Mahesh (2012UMT1774) for relaxation in late fee penalty during registration of semester withdrawal (X Semester 2016-17). It was decided that the late fee may be deducted from the Caution Money of Badavat Mahesh (2012UMT1774).

#### Minutes of Unfair Means Committee Meeting held on 13<sup>th</sup> June 2024

Few cases of unfair means were reported in the end-term examination of even semester 2023-24 held in April-May 2024. The cases were forwarded by the concerned course coordinators/invigilators/flying squads to the Unfair Means Committee along with the recommendation of the departmental committees. The UFM Committee discussed all the matters and recommended punishment as per the Guidelines for Unfair Means, as approved by the Senate. The punishment was communicated to the concerned students.

Few students submitted their request for reconsideration of the punishment imposed on them. A student, Sanjana Meena (2023UA11830), submitted her request to the Director, MNIT Jaipur which was forwarded to the Prof-in-charge Ombudsman. The Prof-in-charge Ombudsman suggested that the case may be reexamined by the UFM Committee. A meeting of the UFM Committee was reconvened on 13<sup>th</sup> June 2024, at 4:00 PM in (Old Senate Hall) meeting room No.3, Prabha Bhawan. The meeting was attended by the following members:

2.	Prof. Lava Bhargava	Chairman, SUGB
3.	Prof. Suja George	Chairman SPGB
4.	Dr. Yogesh Kumar Meena	Associate Dean, PG
5.	Dr. Ram Dayal	Associate Dean, UG

The following agenda items were discussed:

**Item No. 1.0** *Items for Consideration.*

**Item No. 1.1** **To discuss the unfair means case reported in the End-term Examinations 2023-24.**

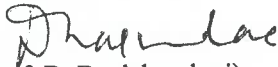

Cases of unfair means were observed in recently held Supplementary examinations from 10<sup>th</sup> July 2024 to 19<sup>th</sup> July 2024. The cases were reported during Supplementary examinations pertaining to the Department of Chemical Engineering, the Department of Electrical Engineering, and the Department of Metallurgical and Materials Engineering. The concerned course coordinator/invigator/flying squads reported the cases to the respective DUGCs. The DUGC has forwarded the cases to the Unfair Means Committee.

The committee discussed the case and the following resolution/recommendation was taken:

S. No.	Name of the student	Course details	Examination	Decision
1.	Bhagya Patel (2022UCH1008)	22RET291 Energy Storage	4.5 Semester Supplementary Examination 2023-24	The Supplementary Examination of 22RET291 Energy Storage stands cancelled. The student will be awarded 'FP' grades for the courses registered in the Supplementary Examination.
2.	Arshad Ali (2021UEE1714)	EET308 – Modern Control Theory & Design Technique	5.5 Semester Supplementary Examination 2023-24	The Supplementary Examination of EET308 – Modern Control Theory & Design Technique stands cancelled. The student will be awarded 'FP' grade in this course.
3.	Sachin Rawat (2020UMT1989)	MTT-209 – Fuel Furnace & refractories	6.5 Semester Supplementary Examination 2023-24	The Supplementary Examination of MTT-209 – Fuel Furnace & refractories stands cancelled. The student will be awarded 'FP' grades for the courses registered in the Supplementary Examination.

It was decided that the information regarding indulging in unfair means by the student should be communicated to their parents. It was also decided that any such repeat offense by the student would attract severe penalties, which may range up to expulsion (limited period/permanent) of the student from the Institute. Further, the decision of the committee will be communicated to all the students of the Institute.

The meeting was concluded with a vote of thanks to the chair.
