Day 2

CHAMBER OF PHRASES

Date: February 8, 2025

Venue: VLTC-L009, MNIT Jaipur

Event Overview:

On to Day 2 of annual cultural fest Blitzschlag, ELAC hosted its new event 'Chamber of Phrases'. The venue had a tinge of mystiques into it and there was a photobooth as well on the themes of the infamous 'Harry Potter' series which was the absolute eye-catcher. The event in itself comprised of 3 rounds, namely, 'The Riddle Round', 'The Rhyme Round' and finally, 'The Tongue Twisters Round'. The event invited the participants to join in groups and detangle the challenge. Walking through the functionality of the rounds, the first round posed riddles giving the participants a minute to decode each riddle. The second round had the teams figuring out rhyming words for the words that were presented in this round. The judging criteria was the validity and the number of words a single team could guess. After the two rounds were over, evaluation to segregate the top 5 teams on the basis of highest scores was done. The top 5 contenders then entered into round 3, the 'Tongue Twisters' round where they had to dictate tongue twisters as soon as they saw them on the screen. This whole activity was nothing short of a literary escape room where the key lied in facing the challenges and winning the rounds.

The three highest scorers were deemed to be the winners. The event, while being the newest addition, witnessed some friendly participation and excitement amongst the participants.
