

Event Report: Tinder Dating – The Blindfolded Matchmaking

1. Event Overview

Event Name: Tinder Dating – The Blindfolded Matchmaking

Date of Event: February 7, 2025

Venue: VLTC L-008, MNIT Jaipur

Organized by: Think India MNIT

2. Introduction

Tinder Dating – The Blindfolded Matchmaking was a social experiment designed to test participants' compatibility beyond appearances. The event introduced a fun and interactive format where individuals, blindfolded and separated by a curtain, answered a series of curated questions to determine their compatibility. The most compatible pairs moved forward in the competition, with the top duo winning a prize.

Event Theme: A unique matchmaking experiment focusing on personality-based compatibility.

Objective:

- To encourage meaningful conversations beyond visual first impressions.
- To create a comfortable and engaging social environment for participants.
- To provide a fun and lighthearted experience where participants could interact unconventionally.

Target Audience: The event was open to students of MNIT Jaipur who were interested in participating in a lighthearted social activity.

3. Event Highlights

Description:

The event was divided into three structured phases, ensuring an engaging and interactive experience for all participants.

Activities:

- Icebreaker round: Participants answered quick and fun questions to initiate conversations.
- Compatibility test: Blindfolded pairs responded to deeper, thought-provoking questions to assess their values, humour, and interests.
- Final selection: The most compatible pairs moved forward, and the top duo was declared the winner.

Participation: A significant number of students participated in the event, making it one of the most engaging activities of the day.

4. Challenges Faced

- Some participants were hesitant initially but became comfortable as the event progressed.
- Managing multiple conversations simultaneously required efficient coordination.
- Ensuring fair pairings while maintaining the blindfolded format was a logistical challenge.

5. Feedback and Suggestions

Participants' Feedback:

- The event was widely appreciated for its creativity and engaging format.
- Many participants found the questions entertaining and insightful.
- Suggestions were made to introduce additional interactive elements to enhance the experience further.

6. Conclusion

Tinder Dating – The Blindfolded Matchmaking was a well-executed event that provided participants with a fun and engaging experience. It successfully fostered lighthearted interactions and social engagement, making it a highlight of the day's events. The format allowed for genuine conversations and unexpected connections, ensuring its popularity among attendees.
