

Event Report English Language and Activities Club

ELAC, namely the English Language and Activities Club, hosted its share of events in the most awaited cultural fest Blitzschlag 2025. All the events of the club took place in Vivekananda Lecture Theatre Complex, in the room L-009.

Day 1 :

TOGGLE Date: February 7, 2025

Venue: VLTC-L009, MNIT Jaipur

Event Overview:

The first event being held was Toggle on 7th February 2025, the first day of Blitzschlag. Posing an exhilarating and intriguing space to showcase the versatility and diversity of the participants' opinions, Toggle was indeed the twist of extempore required in the spirit of the fest. It mainly consisted of the participants choosing a topic amongst a bunch of choices, and then initiate speaking in favor or in disapproval of the topic with the judges scoring on vocational skills and firmness of arguments. But that's not all there was to it. The twist was that as soon as they heard the judges uttered the word 'Toggle', they had to switch to the other side of the topic. This continuous oscillation between the approving opinions and the disapproving ones created an intense and challenging atmosphere which could be felt by everyone witnessing the delivery of the speech. The venue was illuminated by interesting props and a fitting color scheme of lights; with 'blue' representing the defense and 'red' representing the opposition. This thrilling event was greatly celebrated by the extemporary enthusiasts and marked the beginning of the events that ELAC had in store for the Blitzschlag.
