

Report on “Children’s Day”

Date: 14th November 2025

Venue: Government School, MNIT Campus

Organizing Body: National Service Scheme (NSS), MNIT Jaipur

Distinguished Presence: NSS Core Team and Volunteers

The **National Service Scheme (NSS)**, unit of MNIT Jaipur, continued its dedicated support for nurturing young minds by successfully organizing a special **Children's Day celebration** for pre-primary students attending a **nearby government school, which often lacks certain educational resources**. Building upon its foundational commitment to educational support, this event was strategically designed to move beyond traditional academics by incorporating engaging **fun games and a series of art and craft competitions**. This interactive approach not only instilled a sense of celebration and joy but also served to educate the students properly about the significance of Children's Day, promoting a holistic experience essential for their comprehensive development.

This initiative, encompassing both regular educational activities and special events like the Children's Day celebration, aligns with a **dual overarching goal**: to translate the institute's commitment to civic responsibility into meaningful societal impact by **empowering these young learners** with joy and awareness, and simultaneously to cultivate the essential professional and personal skills, such as **teamwork and organizational leadership**, among our dedicated NSS student volunteers.

Objectives

- To **foster joy and celebration** through organized fun games and activities.
- To **raise awareness** about the significance of Children's Day through interactive engagement.
- To **promote creative expression** via hands-on art and craft competitions.
- To **enhance volunteer skills** in planning, coordination, and event management.
- To **reinforce commitment** to the holistic development of young learners.

Event Details

- **Duration:** The celebration ran for a full day, from **10:00 AM to 3:00 PM**.
- **Participation:**
 - **Students:** Approximately **150 pre-primary school students** attended.
 - **Volunteers:** **50 dedicated NSS student volunteers** from MNIT Jaipur managed the activities.
- **Volunteer Support:** Snacks and refreshments were provided for the volunteers to sustain their commitment throughout the day.
- **Fun Games (Physical & Teamwork):**
 - Pithoo

- Cricket
- **Creative Competitions (Expression & Awareness):**
 - **Rangoli Competition:** Fostered collaborative artistic design and color sense.
 - **Painting Competition:** Allowed for free artistic expression and imagination.
 - **Writing Competition:** Focused on the topic "**Children's Day**" to enhance awareness of the day's significance.

Outcomes

- **Enhanced Awareness and Joy:** The interactive format successfully educated approximately **150 students** about the meaning of Children's Day while instilling a deep sense of joy and celebration.
- **Fostered Creative Skills:** The organized art, craft, and writing competitions provided a platform for students to actively **develop and showcase their creative and expressive abilities**.
- **Strengthened Community Bonds:** The event successfully reinforced **positive relationships** between the NSS student body and the local government school community through non-academic engagement.
- **Volunteer Event Management Proficiency:** The 50 volunteers gained **valuable hands-on experience** in large-scale event planning, logistics, coordination, and group management.
- **Reinforced Holistic Commitment:** The celebration effectively showcased the NSS unit's mission to support the **holistic development** of young learners, moving beyond academics to address social and emotional well-being.
