The Entrepreneurship Club successfully organized an exhibition “**Visionary ventures**”. It highlights the status of entrepreneurs in India, based on The Times of India’s report projecting a 90% increase in owned businesses by 2026.

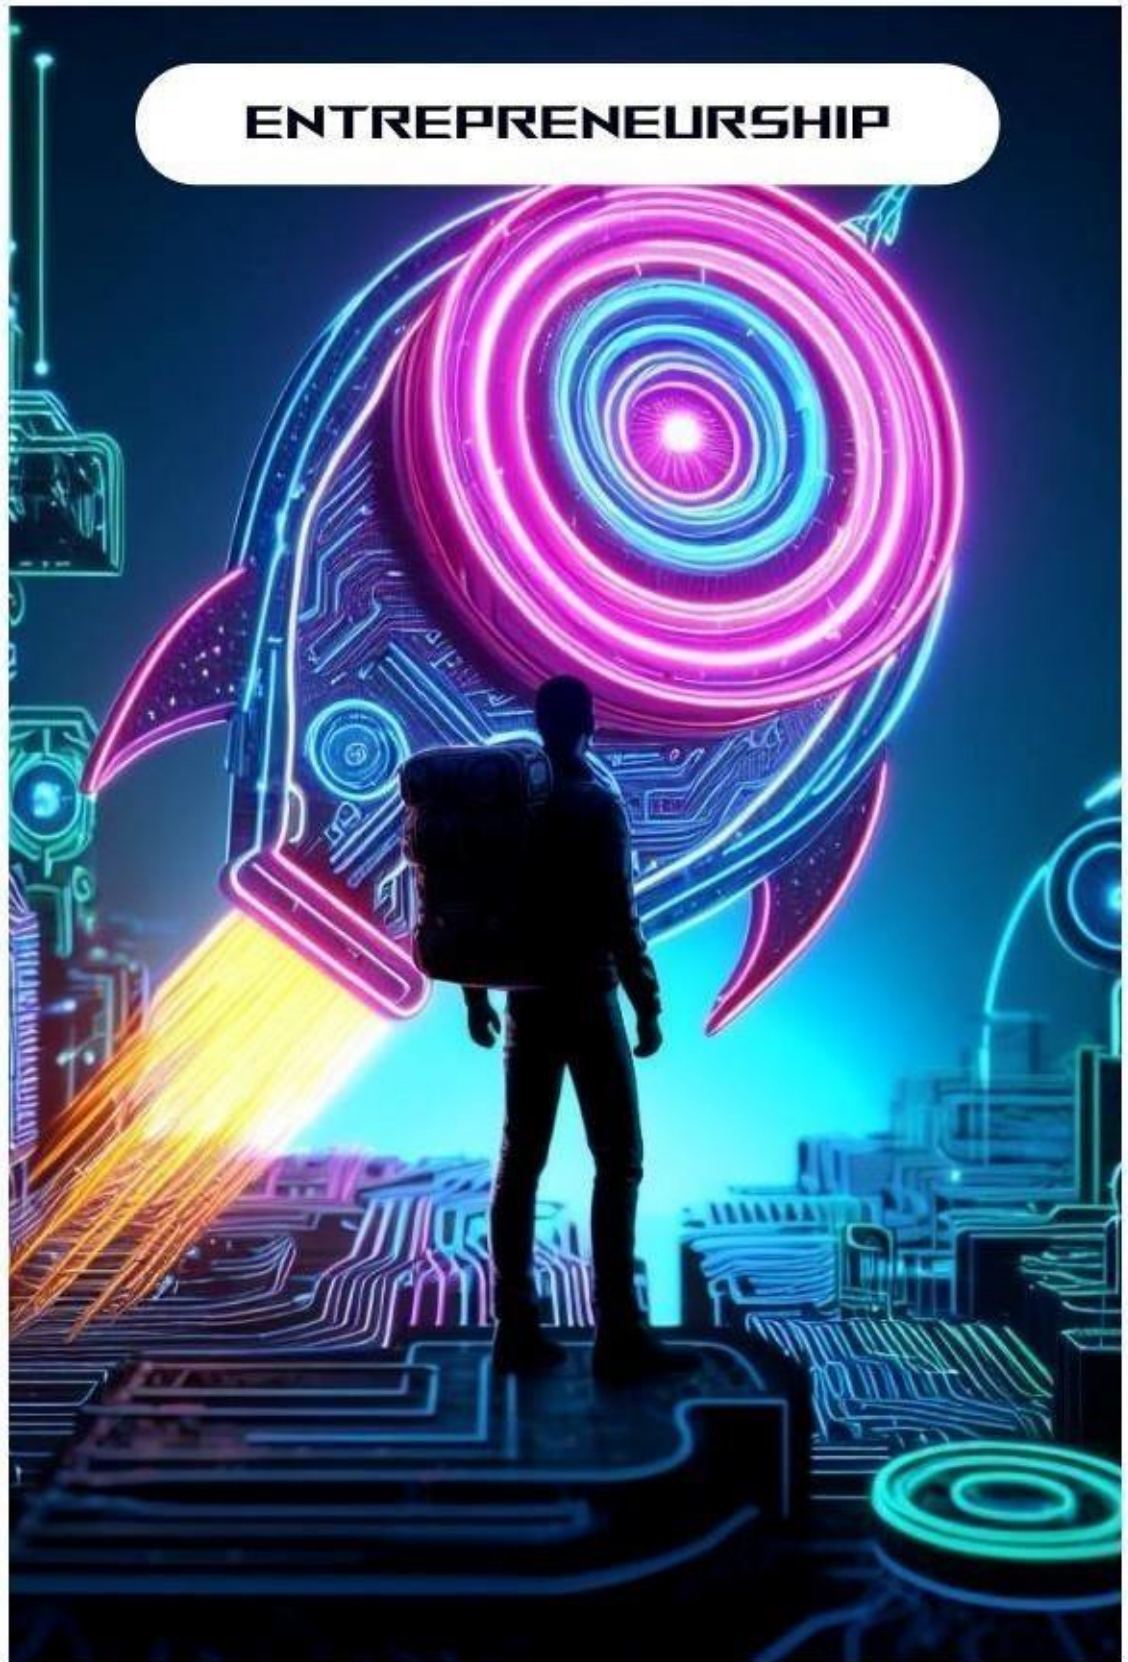

STARTUPS PRESENTATION : -

- **CLIMATECH** :- At Climatech, our technology represents a monumental leap forward in the battle against climate change. Not only can we efficiently capture and decompose carbon dioxide (CO₂), but our innovative approach extends to addressing a broader spectrum of pollutants, including sulfur oxides (SO_x), nitrogen oxides (NO_x), and fine particulate matter (PM 10 and PM 2.5). This versatility is a testament to the robustness and adaptability of our solution.
- **REELDEAL** :- Provide Filmmaking ,product Photoshoots and Digital Marketing Solutions across India.
